Student performance

Please comment, as appropriate, on:

2.1 Students' performance in relation to those at a similar stage on comparable courses in other institutions, where this is known to you

The performance of students is comparable to that of students on other post-registration courses that I and my colleague are familiar with.

2.2 bottom of the range

A good spread of marks were seen across all modules although the cohort of students were rather small. On sampling we concur with these marks. However, the RVC marking templates has little differentiation between the level six and level seven markiC q4.16 n
